PROFESSIONAL SERVICES

As a Gigamon Authorized Training Partner, Fast Lane has been working with Gigamon since April 2016 to deliver the highest quality of Gigamon Authorized Training content and Managed Enablement Services to Gigamon customers across the globe.

Fast Lane began our partnership with Gigamon servicing their partners, VARs and customers. Through training and our Expert-4-Hire Services, we incorporate all five stages of our Consulting Framework.

5-STAGE CONSULTING FRAMEWORK

1 IDENTIFY & SCOPE

2 DESIGN & PLAN

3 EXECUTE

4 KNOWLEDGE TRANSFER

5 POST-IMPLEMENTATION SUPPORT

JOINT SOLUTIONS

Fast Lane's Expert-4-Hire (E4H) offers customizable consultative training and/or coaching/mentoring services aligned with Gigamon's key joint solution deployments. Below are some examples of topics that can be addressed during an E4H engagement.
